PASTOR CHRIS BAESLER

Senior Pastor

I WONDER ABOUT WONDER.

Dear Siblings in Christ,

There is a story that sticks out to me in the gospel of Luke, Chapter 5, where Jesus heals a paralyzed man. It's the one where the man's friends lower him down to Jesus through a hole in the roof because the crowds are so thick. As part of the religious leaders, as only God can forgive sins, and they begin to question who Jesus is that he does something reserved only for God. It is at this point that Jesus asks them *"why do you raise such questions in your hearts?"* Then as proof of his authority he tells the man to *"stand up and take his mat and go home."* The man gets up and goes home glorifying God. Then the text says *"Wonder (Amazement) seized all of them, and they glorified God and were filled with awe, saying, "We have seen strange things today."*

As we move towards Lent, I find myself wondering about Wonder. We all have questions about God and life and suffering and blessing. We have questions about God's goodness and people's badness. Why did this (insert your experience here) happen to me? Why is this (insert) happening to me now? What is going to happen in the future? Why does God seem so close and present and faith seem so easy sometimes while other times it is just difficult to connect to God?

In the above text, even though people experienced Jesus standing before them they still had a difficult time understanding God's work; nevertheless they glorified God and celebrated the strange things they had seen that day. The strange things are what sticks out to me. God did unexpected works of blessing like healing the man and forgiving sins and so I wonder if I miss strange things that God is doing which might cause me to celebrate if I would but pay attention.

This Lent, as we prepare to Celebrate Jesus' love for us on the cross and his resurrection from the dead, our invitation is to embrace Wonder. Wondering invites us to live into unanswerable questions, to explore the strange works of God's love that we might miss because we are busy or just not looking for them or they are unexpected. During worship we will experience interesting bible characters that help us wonder about God's work and remind us that one thing is always certain: God loves us and will always be with us on our journey. In the upcoming days, may you be filled with wonder at the works of God.

In Christ,

Pastor Chris

THE CALL PROCESS UPDATE

Church council will meet with Rev. Jonathan Stiener, (SD Synod staff) at our February council meeting. Rev. Stiener is the Director for Evangelical Mission, (*deployed staff in Rapid City*), Associate to the Bishop for Stewardship and Outreach. At this first step we will look at demographic trends in Rapid City and the surrounding neighborhood to better understand who our neighbors are. We will then plan how to offer the Congregational Vitality Survey to the congregation—a special communication (eg. letter/email) will go out explaining the survey process before the survey is delivered.

Special Offering

MINISTRY OF THE MONTH

Throughout each month we collect a special offering for an organization in our area that provides services to the community. All the money raised during this month goes directly to the non-profit organization. **Our Ministry of the Month for February is Chapel in the Hills.**

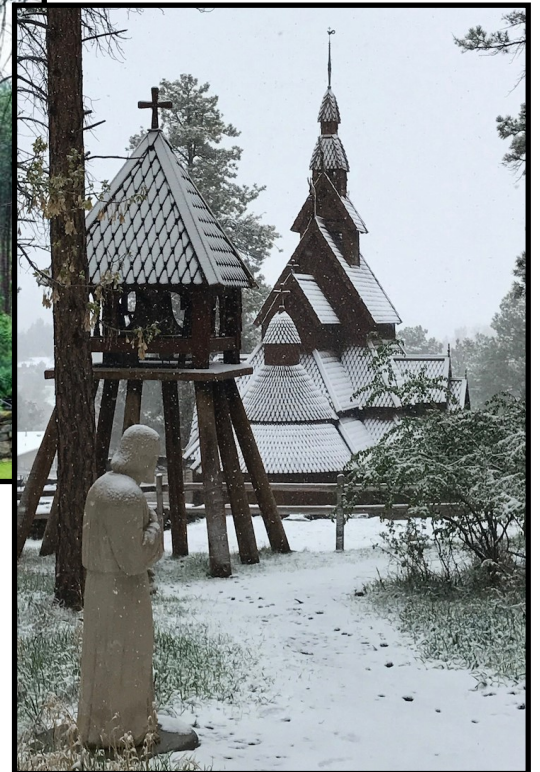

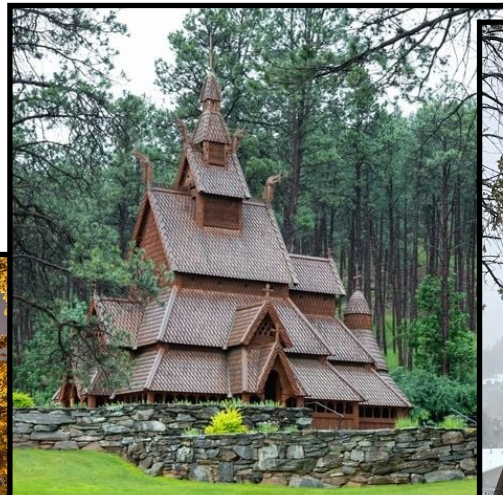

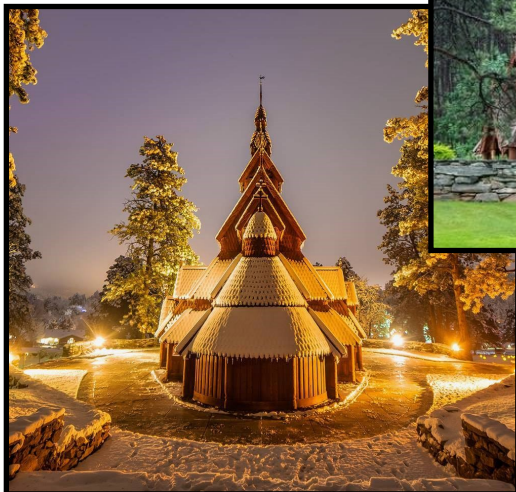

Nestled at the foot of the Black Hills, on the western edge of Rapid City, SD, the Chapel in the Hills is a quiet retreat open to all visitors. As a special ministry of the South Dakota Synod of the Evangelical Lutheran Church in America (ELCA), the Chapel reaches out to vacationers and local residents alike, who look for a place to experience God's peace in their busy lives.

The Chapel in the Hills was built in 1969 and a dream come true for the preacher of the Lutheran Vespers radio hour, Dr. Harry Gregerson. The Chapel is an exact replica of the Borgund Stavkirke Church in Norway and over 25,000 visitors stop each year to see the church, museum, gift shop and the grounds.

The purpose of the church is to spread the gospel through sermons, music, weddings, vow renewals along with other special events. Worship services are held every Wednesday, Saturday, and Sunday evening at 7:30 pm during the summer months from Memorial Day through Labor Day. Each summer, local pastors and ELCA pastors from all around the country spend a few weeks serving as pastors-in-residence.

The Chapel also has an online store where wood carvings (crosses and nativity sets) as well as other items can be purchased. Sales of these items, rental fees for the events, and donations support this ministry.

For more information the Chapel, check out their website at:

Are you a
Thrivent
member?

Would you be willing to sponsor an event or project at SCLC (such as Free Lunch)? It is very simple and we will help you with the application process. When you sponsor a project or event, SCLC gets up to \$250 to help with the cost, whether it is put towards a fundraising purchase or for a project item. This is such an easy way to help support our church and the ministry efforts here at South Canyon. Call Kristi in the church office for more information.

The Giving Center

We are blessed to be a blessing! The Giving Center (baskets located in the entry way) is a space where we collect many items delivered to organizations in need. We so appreciate your generosity and caring with all the donations provided. These items are delivered to Adult Day Care, Treasured Lives, Church Response, Love, Inc., Passages, Hope Center, and others.

The current needs are diapers, wipes, feminine hygiene products (especially tampons), toilet paper, laundry soap and tissues. If you have hearing aids or eyeglasses, there is a bin for that as well. The Lion's Club sends those in to be refurbished for those in need. You can check out the bins as many items are often requested by various organizations.

Love, Inc., is always in need of bedding, towels, kitchen items (dishes, cups, silverware, small appliances, etc.) and those items can be dropped off at 414 E. Omaha Street.

Thank you for your continued support at South Canyon Lutheran Church. We appreciate you!

Oh what fun it is to serve our high school students Free Lunch! Thanks and gratitude to the many hands that made this undertaking of back-to-back Free Lunch for Finals a success; from the cook, to the prep crew, the servers, clean up help, and the many bakers who contributed delicious desserts, you are greatly appreciated. The next Free Lunch is on February 7, when we will serve Walking Tacos, a favorite among the students.

Pastoral Care

Caring for Our Members

South Canyon Lutheran Church has many members in Care facilities and shut ins. They appreciate visits from other church members. If you would like to visit one of these members once a month, and perhaps serve them communion, please let Linda Black know. You may do a visit on your own or with another person. This is a wonderful way to share God's love with those who gave so much to South Canyon Lutheran Church in years past.

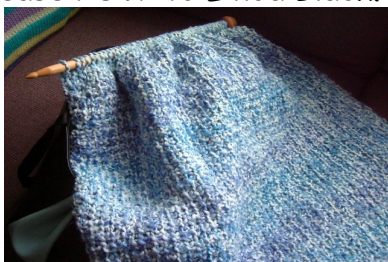

Soup Sisters

Soup Sisters will gather in the kitchen at 6:30 pm on Thursday, February 9, to make soup. If you would like to be added to this list for notices please contact Linda Black.

Caregiver Lunch

The next Caregiver Lunch will be Friday, February 17, at noon in the Fellowship Hall. This group is for people who are caregivers now and have been in the past. Please RSVP to Linda Black.

Prayer Shawl Ministry

Prayer shawls are a wonderful gift to someone who might be in the need of feeling a warm hug of love. Yarn is available in the church office with patterns for knitting or crochet. If you know of someone who might be in need of a prayer shawl they are available at church.

Director of Worship

Ellen Shirley
ellen@scll-rc.org

This is the first opportunity since Christmas and the Christmas Cantata I've had to thank everyone for all they did to make Christmastime so very special! My very long thank-you list starts with the Cantata and includes: the Kid's Choir and their accompanist Marsha Mertes (who also played for us on Christmas day), the Sanctuary Choir and their accompanist Mary Weidenbach, Pastor Chris for narrating, Shelley Mann for signing Silent Night, a certain USD student who was roped into singing a solo, Cora Fried for joining us with piano playing and singing, Nolan O'Connell and Kristi Wellendorf for working the sound board, the ladies in the office for typing the bulletin, and everyone who helped get the risers out of storage and set up. For Christmas: the ladies of the Bell Choir for ringing on Christmas Eve, that same USD student for a Christmas solo, the Sanctuary Choir, our organist for three Christmas Eve services, Parker Knox, and Owen Mertes for his Christmas morning offering on trombone. Without all of you, I'm just a woman waving her arms around for no reason.

The New Year's News - The Piecemakers have graciously gifted the Kid's Choir a monetary donation for new music. All ensembles are meeting again. If you are interested in joining us for any of them, just let me know. The Sanctuary Choir has begun working on our Lenten Cantata. I'd be happy to pass along a packet of music if you are interested in joining us. I'm excited for this cantata, too!

Come learn or refresh your memory on how to do **Hands Only CPR** after worship service on Sunday, February 19 at 10am in the sanctuary. We will have a few 'dummies' to practice on. This is also the time that we will point out where all of the AED devices are in the church building, and give other pointers on what to do if someone isn't feeling well or in distress. Contact Kristi in the office for more information. We know first hand that immediate CPR gives the person time until medical personnel arrive.
