Reflections on Love

I love chocolate. I love my husband. I love my parents. I love my children. I love dogs and horses. I love my friends. I love the color purple. Yes, I like Pina Colodas and getting caught in the rain...

February is filled with talk of love and ways to express the love you have for yourself and others. In English we tend to use one word to express all different kinds of thoughts and feelings we have for people, objects, activities or ideas. This is not true of other languages. Several words in Greek and Hebrew appear in the Hebrew Bible and New Testament. Although in English they are all translated “love”, their meanings do affect how we interpret and understand the text.

Ahab: Hebrew word for love. Describes a variety of intensely close emotional bonds. This Hebrew word is used to describe a variety of types of love in the Old Testament similar to the way our English word describes love.

Eros: This Greek word was not used in Scripture but would have definitely been used by the people. It refers to sexual, sensual or romantic love.

Storge: Greek referring to familial love or the natural affection between kinfolk. This word appears only occasionally in the New Testament.

Philia: Is the Greek term which describes the powerful emotional bond seen in deep friendships. It is the most general type of love in Scripture, encompassing love for fellow humans, care, respect and compassion for people in need. The concept of brotherly love that unites believers is unique to Christianity. In John 13:35, Jesus said philia would be an identifier of his followers.

Agapao (Verb) or Agape (Noun): Greek word which describes God’s love which is unconditional love, preferential love that is chosen and acted out by the will. It is benevolent love that always seeks the good of the beloved, expecting nothing in return. This type of love is exclusive to the Christian community because it flows directly from God’s love. It is founded upon deep appreciation and high regard. It is the type of love God has for us and the type of love we try to emulate as God’s children and share to a hurting world.

Norman Geisler offers this description of the different nuances of these words: “Erotic love is egoistic. It says, “My first and last consideration is myself.” Philic love is mutualistic. It says, “I will give as long as I receive.” Agapic love, on the other hand, is altruistic, saying, “I will give, requiring nothing in return.”

So as you talk about and express your love this February, what type of love are you showing?

Food for thought.

Ministry of the Month - CHURCH RESPONSE

"All our steps are ordered by the LORD; how then can we understand our own ways?" Proverbs 20:24

Each day is filled with steps, and at Church Response, they witness countless acts of faith and courage through the steps people take.

- Some steps lead individuals to their doors to present their food pantry cards and receive essential groceries to sustain them through the week.
- Others are taken by homeless individuals filling out forms to receive commodities, healthy snacks, bread, and water.
- There are steps into the lobby from those seeking warm clothing, socks, or coats.
- Many take the difficult step of seeking help with past-due or disconnect utility notices, often sharing deeply personal stories of life's hardships.

Every step matters. Recently, a woman walked in with a box of men's socks, arriving just as supplies had run out. She smiled and said, "It's God's timing." Moments like these remind us that God's prompting guides every step—whether to seek help or to offer it.

Church Response, a Christian outreach organization, was founded after the devastating Black Hills flood of 1972 as a way for local churches to unite in serving the Rapid City community. For over 50 years, they have worked together to provide a helping hand to those in need. They are the hands and feet of Jesus to so many in need. As part of their outreach, Church Response offers grocery gift cards for Family Fare, Safeway, and Walmart in denominations of \$25, \$50, or \$100. These can be purchased with cash or check from SCLC's office. You receive the full value of the card, and Church Response benefits from a 1.5% to 5% rebate, helping to support programs and services. It's a win – win – win as you receive groceries and both Church Response and South Canyon benefit from the sales of these cards.

Requests for assistance and distributions have increased significantly over the past year as more people face economic struggles. The need for their services has greatly increased since the closure of the Hope Center.

We will be collecting the following items:

- **Soup** (along with any other non-perishable food items)
- **Personal care products:** Soap, shampoo, toothpaste, toothbrushes, and other hygiene essentials.
- **Winter clothing:** Clean, gently used winter coats, hats, mittens, and, especially, warm winter clothing and socks for men.

Your generosity makes a difference! Financial donations can be made on Realm (church online giving also can access via church website - www.sclc-rc.org), and with offering envelopes available in back of the church. Thank you for walking alongside us in this ministry of compassion, faith, and hope.

For Everything There Is a Season

This is true for ministries in a congregation's life as well. *The Giving Center* began several years ago as an opportunity for congregation members to leave a variety of items which were donated to various places. These baskets have served this ministry well. But its season has come to an end as staff, volunteer, committee and congregation focus has changed. We are incredibly grateful for all who participated in this ministry.

The Giving Center shelves and baskets will be finding a new home and purpose within the building. This will allow the congregation to focus their donation of items and finances on more specific ministries, such as the Ministry of the Month. Instead of being overwhelmed by lots of asks, we can work together to give more to our designated ministries.

In the future, a list will be put together and shared stating where the various items from *The Giving Center* were taken so if someone has items to donate, they can be taken directly to the organization. Food donations can be taken directly to Church Response for their food pantry, to the food pantry at SDSM&T or to the food pantry at Woyatan Lutheran Church which serves the community.

See, Grow, Serve to the Glory of God!

Happy February Community of Faith!

The end of January is a time when all kinds of fun mail arrives in your mailbox, like papers needed to complete your taxes and giving statements for 2024. Many of you have or will receive your giving statement from SCLC in your USPS mailbox. The following letter will be attached. In case you don't receive anything from SCLC, we thought we would share the letter with you in this space as well. If you have any questions or comments, please feel free to reach out to me.

Pastor Deb

Dear Community of Faith,

It is an exciting time to be part of South Canyon Lutheran Church. The Holy Spirit is at work and there is much joy and excitement in the air. Thank you for being a part of this joy and excitement through your giving of your gifts, including your financial gifts.

Along with this letter, you will find a summary of your financial gifts to SCLC for 2024. Your giving is extremely important. Our total revenue for 2024 was \$607,624.24 and our total expenses were \$593,016.15. By each of us financially giving what we could, we were able to start 2025 with a positive balance in our operating account. This is news to celebrate!

Financial giving is about more than just the numbers. Think about the ministry that happened within your congregation during 2024, because everyone worked together in the giving of their time, talents and resources. A new senior pastor was called! New staff were hired. Children and Youth ministries are expanding. You gathered for worship, heard the preached Word of God, partook in the sacraments, sang, prayed, learned and connected with each other. You fed students and families both physically and spiritually. You supported the work of multiple organizations, touching the lives of thousands of individuals, through the Ministries of the Month. (Just to name a few things that happened in 2024). You didn't let a time of transition stop you from doing the work God called you to do. So exciting.

From the bottom of my heart, thank you for supporting the mission and ministry of South Canyon Lutheran Church with your financial gifts, as well as your time and talents. Yes, the need for your financial support continues in 2025 so our ministry can continue. I am excited to be journeying with you at this time in the life of the congregation.

God bless,

Pastor Deb Grismer

High School Free Lunch

Sloppy Joes, veggies and dip, chips, desserts & root beer floats.

Sign up to volunteer to help or donate desserts at the Welcome Table

What a wonderful partnership we experienced for our January Free Lunch. With a Thrivent Community Action Grant we were able to purchase ingredients for the culinary arts classes at Stevens High School taught by April Malik. Her students baked delicious desserts for us to enjoy!

Last fall, 1585 meals were served to high school students and staff with 222 volunteers participating. Wow! Thank you for volunteering to bake, prep, serve and cleanup. This outreach ministry is successful because of you. We are also very grateful for the support of Thrivent Community Action grants, which help defray the cost of this ministry. We always welcome new faces to participate in this outreach.

The Season of Lent

Beginning Wednesday, March 5

The story of Lent, the story of our faith, is a story of messy middles and nuanced surprises. So this Lent, we are remembering that faith is more complex than this or that, black or white, true or false storytelling. This Lent, we are guided by the Gospel of Luke to find God and to stretch our own understanding beyond the twofold, easy answers our world so often gives. Join us this Lent as we look at everything in between.

Usher/Greeter Training March 2 after worship.

This is another chance for us to share ideas and go over safety items.

Funeral Ushers

And speaking of Ushers and Greeters, we would like to have a contact list of names of people who would be willing to serve as ushers for funeral services. Funeral ushers would make sure the heat/air is on in the sanctuary, light the candles, direct people to the restrooms, direct family members to locations throughout the church, work the elevator, set out mics, clean the pews afterwards, and help manage the bulletins. Please send me an email if you are able to serve in this way.

Thank you, Ellen ellen@sclc-rc.org

The Chamber Singers to Perform at SCLC

I am thrilled to inform you that we are once again blessed to have the **University of South Dakota Chamber Singers** at South Canyon this March as part of their spring concert tour! (This seems to be one of the only ways I can get Brian to come home!!) This group is the premier vocal ensemble for USD and they will be performing for us on **Thursday, March 13 at 7:00 p.m.** We will need a little help serving them dinner that evening **AND we will need to provide housing for all 40 students** for the night. They are lovely, talented students and I am looking forward to a wonderful program and a fun evening/next morning in fellowship with them! If you are able to house two or more students for the night, please let me know! (I call Brian!) -Ellen

Altar Care

We are in need of more helpers to prepare for communion throughout the year. As of now we have only two people signed up for the month of March, three for April, one for July and no one for August. If you are interested in helping, but are hesitant to serve because you are unfamiliar with the process, we will train you!! If you are only able to help once a month, please don't let that stop you from signing up! We'll take whatever you can offer and piece it all together. This is a great way to use your time and talents to serve. Please let me know if you are interested in helping. -Ellen

Something New Coming to SCLC

...and it is super exciting!

A new cross is coming to our sanctuary. Memorial money is being used to purchase this traditional, year-round symbol of our Christian faith. This cross, made of domestic hardwood, brings a visual focal point, easily recognized by anyone who enters, of our call to focus on God. The multiple layers of different wood offers texture and movement and unifies the rest of the wood in our building.

Don't worry Jesus (the Ascension statue) and the Road to Damascus painting have not left the building. One is hanging in the Reformation Room and the other is in the Koinonia Room continuing to bring life to our building.
