Ministry of the Month: Passages Women's Transitional Living

Passages is a faith-based, residential re-entry program to guide and support women transitioning from incarceration or homelessness into positive sustainable life patterns. At Passages, women whose lives were shattered due to drugs, alcohol or abuse learn to build right relationships with God, themselves, and others. Initiated in 2008, with the first residents housed in 2013, Passages loving home environment replaces the lies women believe about themselves with the truth that they are valued human beings: providing hope, opportunity and skills to reach their full potential.

We will collect toilet paper and feminine hygiene products. Donations can be made on Realm (our church giving platform), envelopes in the back of the church or directly on their website <https://www.passagesliving.com/>.

For more information on their mentoring program or providing a meal, please call Passages at 605.791.0275.
